

RAJA SHAMEER.R.B

Final year B.E CSE student

<https://raja-shameer-r-b.github.io> | +91 7338970495 | MZCET., Pudukkottai

ABOUT

Final-year B.E. Computer Science student with a strong foundation in software development, database management, and problem-solving. Passionate about building real-world applications using Python, SQL, web technologies, and cloud platforms. Eager to contribute technical skills, learn continuously, and grow as a software engineer.

PROJECTS (INCLUDES TEAM PROJECTS)

Smart Water Tank Monitoring

Sep 2024 – Dec 2024

Web Development

- Developed a webpage using HTML,CSS,javascript and node , to view the water level in the water tanks of houses or apartments etc.
- Used Float Sensors to get the water levels and display in webpage and used Relay module to control the motor switch from web.
- MSSQL database for the storing of water levels and also the Motor Status etc to view the log data such as levels and status.

Sim Vital – Multi-Parameter & CPR Simulation Monitoring System

Mar 2025 – Sep 2025

Python GUI Development

- Developed a Multiparameter GUI in python using PyQt6 module for the Simulation lab setup which is used for the Nursing and Medical Training Purposes.
- Using Pyinstaller, made it as an .exe file that can be downloaded and used by the trainee in simulation lab to help the Nursing Students get a real-time experience through simulated vitals.
- The Vitals and graphs (such as ECG) can be controlled and adjusted by the staff using Mobile app.

Bus Tracking

June 2026 – Present

Web Development

- Tracking of Bus (school or college) and display the current location of bus in map view as well as route view for the parents to view.
- Display the NEXT stop and also the route of bus ,along with the Estimated Time of Arrival and Bus Speed.
- Used MSSQL for the data storage and retrival ,and developing it to work in a simpler way for parents to easily view and use the webpage.

EDUCATION

XII

PM Shri Kendriya Vidyalaya, Nagercoil

- Percentage: 77%

2022 – 2023

B.E Computer Science and Engineering

Mount Zion College of Engineering and Technology,,Pudukkottai.

- CGPA: 7.96 (till 6th sem)

2023 – 2027

SKILLS

- Python
- HTML5
- SQL

TOOLS & PLATFORMS

- Visual Studio Code
- SQL Server Management Studio (SSMS)
- Firebase
